DOTYCZY:

PIAP SLOVAKIA

Representatives of the Polish PIAP Institute participated in the NATO EOD DEMONSTRATIONS & TRIALS 2018 in Bratislava, Slovakia.

PIAP presented its four best-selling robots: PIAP GRYF®, PIAP FENIX®, TRM® and IBIS®, as well as Explorer inspection device. The demonstration of PIAP mobile robots did attract a great interest of the public. Especially because almost all of the robots brought to the fair participated in the dynamic show.
